#### INDEPENDENT AUDITORS' REPORT

To the Board of Directors
The Extra Mile, Region VIII, Inc.
Monroe, Louisiana

We have audited the accompanying statement of financial position of The Extra Mile, Region VIII, Inc. as of and for the year ended June 30, 2012, and the related statement of activities and cash flows for the year then ended. These financial statements are the responsibility of the Agency's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; Government Auditing Standards, issued by the Comptroller General of the United States; and the provisions of the Office of Management and Budget (OMB) Circular *Audits* of States, Local Governments and Nonprofit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Extra Mile, Region VIII, Inc. as of June 30, 2012, and the changes in its net assets and cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Governmental Auditing Standards and should be considered in assessing the results of our audit.

Our audit was performed for the purpose of forming an opinion on the financial statements of The Extra Mile, Region VIII, Inc. as a whole. The accompanying schedule of expenditures of federal awards presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, and is not a required financial the statements. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects in relation to the financial statements as a whole.

The accompanying supplementary schedules, listed as "Supplementary Financial Information" in the table of contents and shown on pages 14-15 are presented for purposes of additional analysis for the purpose of providing the various funding sources of The Extra Mile, Region VIII, Inc. and are not a required part of the financial statements. #### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

#### A. Statement of Presentation

The accompanying financial statements conform to accounting principles generally accepted in the United States of America for not-for-profit organizations.

The Agency is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. All of the net assets at June 30, 2012 are unrestricted.

#### B. Organization

The Extra Mile, Region VIII, Inc. was organized to promote and develop contributions and volunteers to Louisiana state funded agencies. The Agency is operated exclusively for charitable, educational, and scientific purposes.

#### C. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### D. Cash and Cash Equivalents

The Agency considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Cash and cash equivalents for purposes of the statement of cash flows exclude permanently restricted cash and cash equivalents.

#### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

#### E. Property and Equipment Accounting

Property and equipment acquired with Agency funds are considered to be owned by the Agency while used in the program or in future authorized programs. However, funding sources have a reversionary interest in these assets as well as the determination of use of any proceeds from the sale of these assets.

The Agency follows the practice of capitalizing all expenditures for property and equipment with a cost in excess of \$1,000. Depreciation is computed on a straight-line basis over the estimated service lives of the assets. The following lives have been assigned to the fixed assets:

Computer Equipment and Vehicles	5	Years
Furniture, Fixtures, and Equipment	7	Years
Building	39	Years

Net values are computed as follows:

	. 2012
Building	29,000
Computer Equipment and Vehicles	56 <b>,</b> 657
Furniture, Fixtures and Equipment	30,305
Less: Accumulated Depreciation	( <u>84,138</u> )
Net Value	<u>31,824</u>

#### F. Budget Policy

Budgets are prepared by the Agency's Executive Director and Board of Directors, and approved by the grantor of the funds.

#### G. Cash in Bank

All funds are in institutions insured by an agency of the Federal Government.

CERTIFIED PUBLIC ACCOUNTANTS

#### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

#### H. Related Party Transactions

There were no related party transactions for the year ended June 30, 2012.

#### I. Contributed Services

No amounts have been reflected in the financial statements for donated services. The Organization generally pays for services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Organization at the residents' facilities, but these services do not meet the criteria for recognition as contributed services. The Organization receives more than 3,000 volunteer hours per year.

#### NOTE 2 - FUNDING POLICIES AND SOURCES OF FUNDS:

The Agency receives its monies through various methods of funding. Most of the funds are received on a reimbursement basis. The Agency also receives funds by contributions from both public and private sources. The primary source of funds is the Louisiana Department of Health and Hospitals. The loss of this funding source would have an adverse effect on the Agency.

#### NOTE 3 - GRANTS RECEIVABLE:

Grants receivable at June 30, 2012 substantially consists of reimbursements for expenses incurred under the program due from the Louisiana Department of Health and Hospitals.

The allowance for bad debts is zero as management believes all amounts are collectible. Accounts are reviewed monthly to determine collectibility.

#### NOTE 4 - BOARD OF DIRECTORS COMPENSATION:

The Board of Directors is a voluntary board; therefore, no compensation has been paid to any member.

- 10 -JOHNSTON, PERRY, JOHNSON & ASSOCIATES, L.L.P. CERTIFIED PUBLIC ACCOUNTANTS

#### NOTE 6 - ACCRUED LEAVE:

As of June 30, 2012, unused annual leave time is \$12,541. The Agency allows annual leave to be carried forward for all regular full-time and all regular part-time employees. The maximum accrual for full-time employees is forty hours.

#### NOTE 7 - CONTINGENT LIABILITIES:

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount which may be disallowed by the grantor cannot be determined at this time, although the Agency expects such amounts, if any, to be immaterial.

#### NOTE 8 - FUNCTIONAL ALLOCATION OF EXPENSES:

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Fund-raising expenses are not material.

#### NOTE 9 - RETIREMENT PLAN:

#### NOTE 13 - NONCOMPLIANCE FINDINGS AND QUESTIONED COSTS:

The Agency receives funding/grants from the Louisiana Department of Health and Hospitals and such funding is subject to certain requirements and conditions. The items listed in the schedule of findings and questioned costs will be reviewed by the appropriate funding agency and a final resolution of the questioned costs will be made by such agency.

#### NOTE 14 - SUBSEQUENT EVENTS:

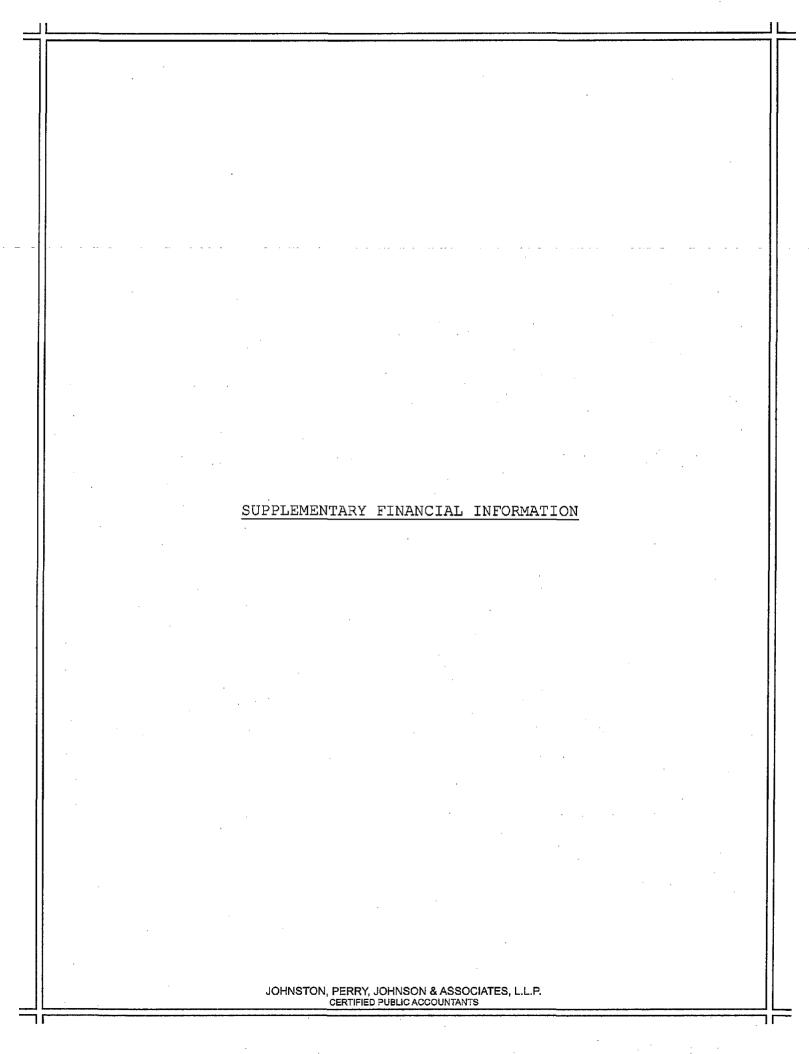

Events that occur after the balance sheet date but before the financial statements were issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed after balance sheet date require disclosure accompanying notes. Management evaluated the activity of the Agency through December 31, 2012, the date the report was available for issue, and concluded that no subsequent events have occurred that would require recognition financial statements or disclosures in the notes to the financial statements.

#### NOTE 15 - IMPAIRMENT OF LONG-LIVED ASSETS:

In accordance with the accounting guidance for the impairment or disposal of long-lived assets, the Agency reviews its property for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. If the fair value is less than the carrying amount of the asset, an impairment loss is recognized for the difference. No impairment loss has been recognized to date.

#### NOTE 16 - UNCERTAIN TAX POSITIONS:

The Agency is subject to examination by various taxing authorities, including federal income tax examinations. Management has reviewed the Agency's activities and believes that no additional amounts or disclosures are needed, as the effect of any uncertain tax positions is not material to the financial statements. The tax returns for the years 2012, 2011, 2010, and 2009 are open for examination by various taxing authorities.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors The Extra Mile, Region VIII, Inc. Monroe, Louisiana

We have audited the financial statements of The Extra Mile, Region VIII, Inc. as of and for the year ended June 30, 2012, and have issued our report thereon dated December 31, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

#### Internal Control Over Financial Reporting

Management of The Extra Mile, Region VIII, Inc. is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered The Extra Mile, Region VIII, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, deficiencies, or material weaknesses. We did not identify deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above. However, identified certain deficiencies in internal control over financial reporting, described in the accompanying schedule of findings and questioned costs that we consider to be significant deficiencies in internal control over financial reporting and which are listed as items 12-1 and 12-2. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

#### Compliance and Other Matters

As part of obtaining reasonable assurance about whether The Extra Mile, Region VIII, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

The Extra Mile, Region VIII, Inc.'s responses to the findings identified in our audit are described in the accompanying schedule of findings and questioned costs. We did not audit The Extra Mile, Region VIII, Inc.'s responses and, accordingly, we express no opinion on them.

This report is intended solely for the information and use of the board of directors, management, others within the organization and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. However, under Louisiana R.S. 24:513, this report is distributed by the Louisiana Legislative Auditor as a public document.

Board of Directors The Extra Mile, Region VIII, Inc. Monroe, Louisiana

#### Compliance

We have audited the compliance of The Extra Mile, Region VIII, Inc. with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the year ended June 30, 2012. The Extra Mile, Region VIII, Inc.'s major federal programs are identified in the summary of auditors' results section of the accompanying Schedule of Findings and Questioned Costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of The Extra Mile, Region VIII, Inc.'s management. Our responsibility is to express an opinion on The Extra Mile, Region VIII, Inc.'s compliance based on our audit.

We conducted our audit of compliance in accordance with accounting standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about The Extra Mile, Region VII,

Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of The Extra Mile, Region VIII, Inc.'s compliance with those requirements.

In our opinion, The Extra Mile, Region VIII, Inc. complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended June 30, 2012.

#### Internal Control Over Compliance

The management of The Extra Mile, Region VIII, Inc. is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered The Extra Mile, Region VIII, Inc.'s internal control over compliance with the requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control does not allow management or in the normal employees, performing course of their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. material weakness in internal control over compliance deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, we identified certain deficiencies in internal control over compliance that we consider to be significant deficiencies as described in the accompanying schedule of findings and questioned costs as items 12-1 and 12-2. A significant deficiency in internal control over compliance is a deficiency, or a combination of

deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

The Extra Mile, Region VIII, Inc.'s responses to the findings identified in our audit are described in the accompanying schedule of findings and questioned costs. We did not audit The Extra Mile, Region VIII, Inc.'s responses and, accordingly, we express no opinion on them.

This report is intended solely for the information and use of the board of directors, management, others within the organization, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. However, under Louisiana R.S. 24:513, this report is distributed by the Louisiana Legislative Auditor as a public document.

amounts to tie back to cost reimbursement reports.

Condition: General ledger amounts did not tie back to the cost

reimbursement report.

Questioned Cost: None

Context: Internal controls

Effect: This finding has no effect on the financial

statements as cost reports were correct.

Cause: There was inadequate monitoring of cost

reimbursements to ensure proper coding to general

ledger accounts.

Recommendation: We recommend the Agency monitor the cost

reimbursement reports and the general ledger to

ensure proper coding to general ledger accounts.

Response: The Agency will monitor closer the cost

reimbursement reports to ensure proper coding to

general ledger accounts.

12-2

Finding: As is common in small organizations, management has chosen to engage the auditor to propose certain year-

end adjusting journal entries and to prepare the Agency's annual financial statements. This condition is intentional by management based upon the Agency's financial complexity, along with the cost effectiveness of acquiring the ability to prepare financial statements in accordance with generally

accepted accounting principles. Consistent with this

Finding:

decision. internal controls over the preparation of year-end adjusting entries and annual financial statements, complete with notes, in accordance with generally accepted accounting principles, have not been established. Under generally accepted auditing standards, this condition represents a significant deficiency in internal controls.

Recently issued professional auditing standards require that we report the above condition as a control deficiency. The standard does not provide exceptions to reporting deficiencies adequately mitigated with non-audit services rendered by the auditor or deficiencies for which the remedy would be cost prohibitive or otherwise impractical.

Criteria:

Proper internal controls under the professional auditing standards require management to prepare the Agency's annual financial statements.

Questioned

Cost:

None

Effect:

This finding has no material effect on the financial

statements.

Cause:

It is not cost effective for the Agency to cure this

control deficiency.

Recommendation:

As mentioned above, whether or not it would be cost effective to cure a control deficiency is not a factor in applying the professional standards reporting requirements. Because prudent management requires that the potential benefit from an internal control must exceed its cost, it may not be practical to correct all the deficiencies auditor reports under the professional auditing
